

# Grappa from Custoza

<b>Distillation</b>	This grappa is obtained by distilling the best pomace of Custoza in copper steam boilers with a discontinuous artisan system.
<b>Colour</b>	Transparent and clear.
<b>Aroma</b>	Slightly fruity and aromatic scent reminiscent of the Custoza vineyards.
<b>Tasting notes</b>	Refined, gentle, non-aggressive taste leaving the mouth full of fragrant and fruity sensations.
<b>Serving temperature</b>	15°C - 18°C
<b>Alcohol by volume</b>	40% vol.
