

Anti-age Face and Body Scrub

with polyphenols extracted from grape marcs

| | |
|-------------------------------|---|
| What is it? | A soft exfoliating cream with dried grape marc extract and grape seed oil rich in polyphenols, for an antioxidant and anti-ageing action. |
| What is it for? | Eliminates dead cells and stimulates the production of new cells, regenerating the skin and preventing signs of ageing. Improves the skin's appearance and increases its radiance. |
| Functional Ingredients | Grape marc extract Grape-seed oil Almond Oil |
| Pluses | Exfoliating action performed by natural microgranules derived from dried grape marc extract. Eliminates dead cells perfectly. Leaves the skin regenerated and radiant, ready for subsequent treatments. Makes the skin smooth. Scented without allergens - Contains natural bases |
| Application | On cleansed skin, apply to dry face and body, massage in circular movements and rinse thoroughly. For the body, we recommend applying a moisturising cream for a regenerating result. For the face, we recommend applying our Face Tonic, Face Serum and Face Cream, in that order for a much smoother and more radiant skin. Skin type: Suitable for all skin types, even the most sensitive. |
